

Border Star Montessori PTA

A MISSOURI 501(C)3 NON-PROFIT ORGANIZATION

6321 WORNALL RD • KANSAS CITY, MO 64113 • (816) 418-5150

Hello from the Border Star Community!

Border Star Montessori is a fully-accredited Montessori pre-K through 6th grade signature school in the Kansas City Public School district located in the heart of Brookside. Our school serves more than 400 children from a diverse community of families from across the city.

Our PTA works hard to bridge the school funding gap. Our funds support field trips, classroom supplies, professional development, classroom support, and more.

That's why we're reaching out to you.

Every year, the Border Star Montessori PTA holds Dragon Night, a trivia night & silent auction. Dragon Night 2020 will be on April 25 at South Broadland Church. This annual event has become our largest fundraiser because of the generosity of groups such as yours. Business sponsorships are especially vital to helping our students become bright young leaders in our community.

Please consider becoming a Dragon Night sponsor! We offer three levels of sponsorship and have attached a flyer with details. Each level includes recognition of your business through multiple channels to our involved and locally-minded Border Star parents and community.

Thank you for your time and consideration. Please contact me by March 16, 2020 if you are interested in being a Dragon Night sponsor or you have questions. Thank you for helping us build a richer learning community for our children!

Sincerely,

Andrea Coates
PTA Dragon Night Committee
